SCHOOL VOTE FRI.

Lemon Grove Review

Vol. 9; No. 11 LEMON GROVE, CALIFORNIA THURSDAY, NOVEMBER 1, 1956 10¢ PER COPY

Polls will be open throughout the Grossmont High School District Friday for voters to decide whether they will approve an excess tax rate for operational expenses of high schools in the district.

Voters are being asked to authorize an excess tax levy of $1.25 per $100 assessed valuation on their property. For the past five years it has been $1.35 but a larger tax base permitted the reduction of requested rate.

it has been $1.35 but a larger tax base permitted the reduction of requested rate.

Officials of the district say Grossmont, Helix and El Cajon high schools face a serious setback in operation, particularly in the field of extra curricular activities such as music, athletics, transportation for the groups and even the student body activities could be curtailed should the issue fail. Failure would also interfere with maintenance of a high quality teaching staff. The basic rate of 75c was established in 1931 by state law.

A simple majority is needed to continue the excess rate. Should it pass the present tax rate will be reduced 10c beneath its present level.

In Lemon Grove the polling places are Junior High, San Miguel, Vista La Mesa and San Miguel schools.

In Spring Valley the polling places are: Junior High, Casa de Oro, S. V. Elementary schools and Pals and Gals Clubhouse.

Polls will be open from 7 a.m. to 7 p.m.

This newspaper advocates a "yes" vote for this issue.

Deadline Passed For Helix Water for 1,700 Bollenbacher Homes

Helix Irrigation District board cancelled a commitment they had with the Bollenbacher and Kelton firm by which they would guarantee water to the firm's proposed project of approximately 1,700 homes at Sweetwater and Jamacha roads. November 1st was the deadline.

Harry Griffen, board member of this division said that further delay would complicate the servicing of water to the 2 million dollar Mt. Miguel High School which is near Bollenbacher's 400 acre development.

Considerable savings could have been made by the developer had a decision been reached in time to order pipe of great enough capacity to serve both the development and the school. A considerable time lag exists on the ordering and manufacture of large size water line.

NO CLOSED SEASON HERE ON BASEBALL

"You're Out! . . . You're Safe!! . . . and I Dunno!!!" seems to be the indecisive decision of some of Lemon Grove's leading baseball enthusiasts.

The guy on the right is Ed Runge, he of world series fame. It was Runge who was umpire on the right field foul line and ruled Sandy Amrose's poke "foul" during Don Larson's historic "no-hitter."

At left is Doc Shaw, operator of the Lemon Drop Cafe in the Grove Theatre Building. Doc is a former major leaguer, having played with the Chicago White Sox in 1924 and later Doc became umpire in the Texas and other baseball leagues.

In the center is Jim Spears, local Ford dealer and baseball enthusiast. Runge is associated with Spears in the new car department.

During the winter Spears and Runge show movies of highlights of the world series with Runge moderating the event.

The three are often involved in baseball arguments in Doc's cafe. Spears wins as often as any . . . proving umpires are not right all the time

Almost Half of Land in County Not Taxable Says Assessor

Forty-four per cent of the property in San Diego County is not taxable, John McQuilken, San Diego County new tax assessor told the Lemon Grove Men's Club Friday.

He said that federal and veterans' exemptions contribute to a high percentage of the total and that state and county parks and beaches cut down the county tax base also.

He said that booming population in San Diego county is contributing to the tax officials' headaches. County taxes reflect the services required projected against the county tax base, he pointed out.

San Diego County is fortunate in spite of the runaway population," he stated. While the tax is $71 per capita in the county, it is $94 per capita in the state. Los Angeles County for example, he said, has a per capita rate of $91.

McQuilken took office August 1 following the resignation of Arthur Eddy.

"We will maintain an open door policy," McQuilken stated. "Any citizen who has a county tax problem will find us ready and willing to discuss it with him."

The assessor pointed out that San Diego County has 158 taxing districts and 772 tax code areas. "San Francisco County, as another extreme," he said, "has only one.

"Some areas in the eastern part of the nation are growing fast but not as fast as San Diego County. In some places they are even rationing building permits to allow school facilities and community services to catch up with the population.

"California is growing twice as fast as the national average and San Diego County is the fastest growing county in California," he pointed out. "Migration and births are increasing county population at the rate of 3,000 persons a week," McQuilken said.

The Men's Club will hold an election of officers for 1957 this Friday. All males with community interest are invited to attend. "Come vote for an officer of your choice or you may wind up as one of the officers," warned Ken Barwick, current president.

The club meets at Michael's every Friday at noon.

Grove Dance School Teacher Killed In Wreck Near Barstow

A Lemon Grove dance school teacher was killed outright and her businessman husband was critically injured in an auto accident Sunday 30 miles east of Barstow on Highway 91 Sunday at 5:30 p.m.

Dead is Janine Guske, 33, 270 Cedar Street, El Cajon who operated Janine's Ecole de Danse at 3488 Main Street in Lemon Grove. Her husband, John Guske, 34, operator of a newly opened Thousand and One Surplus Store at 7931 Broadway is in San Bernadino County Hospital in a "critical" condition.

Also injured in the wreck were Guske's passengers, Mr. and Mrs. Leon S. Oudine, 1040 N. Magnolia. They were also taken to the San Bernadino County Hospital.

The Guske's car, a 1954 Buick collided head on with one driven by a Union Pacific Railway construction worker, Dan Sagony, of Mt. Aston. Seriously injured was Sagony's passenger George Goldtooth, an Indian, the Highway Patrol at Barstow said.

The acident involving a fatality was the third one to come to Lemon Grove business people within the past two years. In June 1954, Mr. and Mrs. Elmer Boone, operators of The Angel Shop died in an auto wreck in Minnesota.

In January 1956, Mrs. Abe Goldberg, operator of the Gift Box, 3448 Main Street was killed in the Santa Fe train wreck.

CHIQUITA TO BE DRESSED IN GREEN

Has anyone seen Chiquita? It has been rumored that she was seen on Davidson Street. They say that at that time she was still looking for parts of her apparel. She still needs her dress and shoes, poor girl.

It was reported that she had picked out her dress and that it would be of filmy green net and sprinkled with glitter. She should make quite an appearance in that.

She was heard to say that she would make an appearance at the Lemon Grove Business Women's League luncheon at Michael's on Thursday, Nov. 1. No amount of coaxing will persuade her to show herself before that.

However, she has sent her emissaries forth to sing her praises and start her good work progressing. These said emissaries are members of the Business Women's League and are anxious to do her bidding.

Everyone will do well to listen and cooperate with her emissaries, because one of the people they contact will be smiled on by Chiquita and will by that token be favored, financially speaking.

That's a Lot of Fertilizer

Al Rice who operates Bill's Feed Store at 3565 Sweetwater Avenue reported that the construction firm building the Lemon Grove freeway for the State Division of Highways had purchased 39 tons of commercial fertilizer from him and it is being used to induce a better growth of ice plant and grass.

The Dimmer VIEW

By MAX GOODWIN

I'll bet you've never seen an election as confusing as the upcoming one November 6. There are 19 propositions and six offices being sought by 14 candidates.

Some of the propositions are complex beyond average comprehension of many voters. Like the oil proposition, No. 4; or the civil service by-pass law, No. 10, and like No. 12, the attempt to make it no longer required to publish public notices on certain state bond issues. We are for oil conservation, against civil service by-pass and for continuing to make it mandatory to publish public notices when a bond issue is involved.

We hope you agree with us and follow our endorsements. We feel about these issues the way we've marked them.

In any event, we give you the tersest election guide we've seen to date on the issues you'll face at the polls.

Prop. 1 **Vote YES** to provide $500,000,000 for veterans for homes and farms.

Prop. 2 **Vote YES** for $100,000,000 of state bonds for building schools.

Prop. 3 **Vote YES** for $200,000,000 of state bonds for constructing state buildings including colleges.

Prop. 4 **Vote YES** for legal machinery to recover a higher share of California oil.

Prop. 5 **Vote YES** Permits saloons to quit pretending they serve food unless they wish to.

Prop. 6 **Vote YES** Permits tax exemption on church parking lots.

Prop. 7 **Vote YES** Changes the name from State Assembly to House of Representatives.

Prop. 8 **Vote YES** Advances Assembly budget sessions date 30 days for longer study period.

Prop. 9 **Vote YES** Allows counties to vote on establishing self governing districts, or buroughs.

Prop. 10 **Vote NO** To deny state to by-pass civil service to hire architects and engineers and invite "spoils" system.

Prop. 11 **Vote YES** Allows a year instead of six months for an elected charter board to prepare a charter for a county.

Prop. 12 **Note NO** Makes it unnecessary to publish newspaper notice on state bond elections.

Prop. 13 **Vote YES** Would remove from Constitution a law held invalid by Supreme Court on California land ownership by aliens ineligible to citizenship.

Prop. 14 **Vote YES** Removes 30-year-old $300 ceiling per day on expenses of attaches for each house.

Prop. 15 **Vote YES** expedites acquisition of mutual water company stocks by political subdivision. Permissive legislation.

Recreation Commission May Be Formed To Accept Sales Tax Funds

Cogs in the machinery of establishing a Lemon Grove Community Recreation Commission for the purpose of developing park and recreational facilities began to mesh last week.

Spearheaded by Frank Armstrong, a local attorney who is a member of the Lemon Grove Elementary School Board, local clubs started falling in line to approve a plan by which a $60,000 local sales tax subvention could be channeled into community for the commission's use. First local group was the L. G. Lions Club.

Provisions in the Education Code, according to Carroll Smith, county counsel and advisor to county schools, permits school boards to establish a Recreation Commission. This commission may have five or more members but must have at least one school trustee. Such a group has the power to administer funds for a recreation program and to make capital expenditures also.

The county board of supervisors earlier this year decided to exercise the permissive legislation by which a county sales tax of one per cent could be invoked. The tax became effective October 1. One half of one per cent, said Supervisor David Bird, would be returned, by gentleman's agreement, to the Lemon Grove area from which it was collected. This, he said, would amount to $60,000 the first year.

T. M. Heggland, county chief administrative officer, said that funds would not be paid out until it had been budgeted. New budget period is July 1 and six months' sales tax collections, or $30,000, would be ready for distribution at that time, he said.

While three months of tax will have been collected from the tax year of 1956, the State Board of Equalization, which will handle the collection of sales taxes for the county, is paying approximately three months behind collections at present.

Most of the other school board members, including Chan Mason, the board's chairman, favor setting up a recreation commission.

Supervisor Bird said that the sales tax subvention would go to a representative group which presents a specific request. He said that a recreation commission would meet these requirements.

If no such group requests the funds, the money will go into the general fund of the county and may be used for any county project.

These funds, however, may be used, if requested, for such things as reduction of L. G. fire district taxes, for constructing sidewalks and curbs, for installing street lights or any other use in which the Lemon Grove community generally, would benefit. Short of an agreement, the money would go to the general fund.

KEN BARWICK TO MOVE HIS OFFICE

Ken Barwick, Lemon Grove attorney, will move his office to larger quarters November 5, he announced this week. He has occupied part of the building at 7880 Broadway, an address shared with Lee Sparks, the realtor.

His new office will be at 7918½ Broadway, the former location of the Grove Electric Shop.

Barwick contracted polio while in the service and travels by wheelchair. He has maintained an office in Lemon Grove for approximately two years.

Auto Runs Wild Down Hill, Wrecks Home Of Neighbor

A runaway auto caused considerable damage to the home of Mrs. Scola, 3146 S. Bonita, Lemon Grove, last Saturday night.

It happened like this, according to Mrs. Scola.

Mrs. Crust, who lives higher up on the hill and across the street from the Scola residence, backed her car out and headed down hill, stopped the vehicle and went into her house to get a memo for shopping. She thought she had the emergency brake on tight—putting 'em in reverse is safer, Mrs. Crust—but the car started to obey the law of gravity before she got into the house, gained speed and was going 20 mph, as one gentleman stated. This gent tried to stop the car, but missed and said car crossed the street and crashed into the Scola flower beds and new lawn and into the front room, smashing furniture and bric-a-brac, finally coming to a stop, after turning over.

Spectators said they saw sparks fly when the car turned over, but luckily no flames followed.

The ladies in the case are still friends, as they both "take" from the same insurance company. Insurance adjusters have "adjusted" and will repair all damage, replace the flowers and new lawn, repair the house.

Estimated damage was in excess of $500, but had the house caught fire the damage would have been much greater.

THINGS DOIN' & BREWIN'

About Civic Center

By DICK HENDERSON

The Dove of Peace—the turtle dove of Europe is the emblem of gentleness — hovered over the dome of Civic Center while supervisors met and discussed amicably many matters of importance to the well being of their constituents, the citizens and taxpayers of San Diego County, S. S.

All members of the board were in their respective chairs around the big table Chairman DeGraff Austin facing the other members, with Jim Robbins, Third District, at his left, Dave Bird, Second District, at Jim's left, in the chair formerly used by DeGraff. On the near side of the big desk Dean Howell, Fifth District, Escondido and Fallbrook and even taking in Lakeside, and Frank Gibson on Dean's left, right under the gun. When we say "chair" we mean "position," 'cause "chairs" are all brand new, upholstered in brown leather. If one may judge by the furniture ads, they cost plenty. They will blend nicely with the $80,000 about to be spent in re-arranging the supervisors' offices.

At 11 a.m. purchase of following properties was consummated:

1—The Whaley House in Old Town, for $25,000 from the Historical Shrine Foundation of San Diego. The matter of restoration, at an estimate of $20,000 additional, will be taken up later.

2—Portion of Lot 3, Blk 11 Middletown and a portion of Lot 4 of Resub. of Blk. 11 and Blk J. Horton's Add. (part of the site for the proposed courthouse and jail facility) — for $90,000, from James G. Bowen and Ruby Emma Bowen. (The purchasing agent requests that the auditor be directed to draw his warrant in the sum of $90,529.50, payable to the Union Title Insurance and Trust Co. in payment for said property and charges relative to its acquisition).

3—Lots 5 and 6 and a portion of Lot 4 of same sub for the new courthouse for $130,000, from Manuel G. Rosa and Maria N. Rosa.

No protests had been filed, nor any vocal protests made, the clerk announced prior to each approval. The owners of the lots did all right. Just think, only a few years ago Alonzo Erastus Horton paid 26 cents an acre for this land. Don't tell me there isn't profit in buying San Diego real estate. Only bug in the drink is y' gotta have relatives who were here 100 years ago and got the bargains at auction.

At 11:30, hearing on the petition of Raul A. Laughlin for the payment of his salary as a deputy appraiser during the period from February 8 to and including June 15, 1956.

Ruel Liggett, Laughlin's attorney, spoke briefly, turned the mike over to Laughlin, who read four pages of a statement he had prepared. He stressed the fact that the Civil Service Commission was the proper body to determine his right to pay for the time he was out—that the supervisors had no jurisdiction until the civil service had ruled. The matter of his employment during his enforced lay off by Eddy was not germane. Told of his work for the county in different departments—he transferred to road department from assessor and resumed his profession of civil engineer. Drew up charts of assessment procedure which have been recognized by many authorities as being super. Laughlin spoke clearly and read rapidly, to get through in the allotted ten minutes.

General Wm. Miller asked twice to be heard, was told by chairman to sit down. "If you want a special hearing to present your views, apply before Thursday for a hearing next Tuesday," Chair-

Grocer Marks Ninth Year In Lemon Grove

Mel Hammerstein's Broadway Market marks its sixth anniversary this month and marks Hammerstein's ninth anniversary in the grocery business in Lemon Grove.

The market, completely rebuilt three years ago, is located at the busy intersection of Broadway and Massachusetts.

Mel began business in Lemon Grove with a produce department on Main Street and after three years took over a grocery at the Broadway location. Business grew and he was forced to expand. A completely new plant was built in 1955 and it now extends for 130 feet west of Massachusetts.

"I'm grateful to the patrons who had enough confidence in me to follow me here," he said. "A market can only grow as fast or as strong as the customers make it possible. It is proper that we show our appreciation by doing something in return. We are offering all customers, old and new, generally reduced prices during our anniversary, November 8, 9 and 10. We want to encourage new customers because we definitely plan to keep on growing with Lemon Grove," he concluded.

The market features Pay Day canned goods and Challenge Dairy products.

Committee chairman Bob Wilbur presented a Cub Scout plaque to Mrs. Marge Heath for service in the field of Cub Scouting. New den mothers welcomed in were Mrs. Harold Graham into Den 9 and Mrs. Earl Gable into Den 3. Den chief cord was awarded to Nick Stumbaugh, den chief of Den 5. One year pins were awarded to Mrs. Rae Hinkleman and Paul Patitucci.

Cubmaster C. W. Skinner, on behalf of Cub Pack 318, extended best wishes to William Moore on his graduation into Boy Scout Troop 322. Scoutmaster Ray Heiserman exchanged his Cub Scout kerchief for a Boy Scout kerchief, officially proclaiming him a Boy Scout.

The Webelos Den, Al Burke, Webelos leader, retrieved the flag, after which Dens 4 and 5 served refreshments.

WIDOW OF NED EVERINGHAM RECOVERING

Mrs. Mary W. Evringham, widow of Ned G. Everingham, 8108 Broadway, said that she was recovering this week from a heart condition she suffered following the death of her husband October 19.

Everingham, age 70, fell into a 14 foot hole near the new freeway on October 5 while attempting to deliver a letter to one of the workers on the road. Everingham operated a group of cottages at Broadway and Washington, near the Catholic Church. One of the tenants who had formerly occupied a cottage, received a pay check letter, Mrs. Everingham said.

Her husband, a retired railroad man who had been suffering a clot on his brain, decided to deliver the letter, she said. He fell into the hole and lost consciousness. He remained unconscious for 14 days in a La Mesa hospital until he died.

The deceased was born in Syracuse, N. Y., October 1, 1886. He moved to the Grove ten years ago after retiring as a railroad switchman. He had been a scout master and scouting commissioner for several years.

JOHN PENNOCK TO HEAD COUNTY COORDINATING COUNCILS

Dr. David Milne, chairman of the board of directors of Coordinating Councils, last week announced the appointment of John A. Pennock as director to succeed Kenneth S. Beam, who recently retired due to ill health.

Mr. Pennock has been acting director of the department since Mr. Beam's illness in February of this year and served as assistant director for one year before that time. He comes to this job with a background of experience in community organization and education. He served for several years as the executive secretary of the Utah Social Hygiene Association, as a member of the Community Welfare Council and in other social capacities. He has been a teacher in the adult education department of the San Diego City School system and also the Salt Lake City Department of adult education. He has taught in the Department of Sociology at the University of Utah, San Diego State College and at the San Diego Junior College. He also served as co-sponsor for Family Life Institutes, held in the State of Utah in recent years.

Mr. Pennock has sat in on many Spring Valley meetings and should be a great help in the future.

Trailer Resident Beaten Into Unconsciousness

Sheriff's deputies are tracing license numbers of an auto used by two men who reportedly attacked Danny Furrer, a trailer resident of 7070 Broadway.

The attack took place early Sunday when Furrer stepped from his car to enter his trailer home. He was knocked to the ground by one man and kicked by another until he became unconscious. No money was taken. Furrer said the attack was unprovoked.

The victim is a construction worker.

ZOO IN CAR

SAN PEDRO—Attracted by a dog and a puppy on the front seat of a parked automobile, Harbor Guard H. E. McMahon poked his head into the car and then sprang back. In the back seat were 13 live rattlesnakes and a chuckawalla desert lizard, in cages, and 15 turtles were crawling on the floor. The car belonged to Jasper N. Maris, herpetologist and cannery worker, who said his hotel wouldn't let the creatures in.

Nannette Thompson Play to Be Presented

"The Coming of the Bells," a one act play written by Mrs. Nannette Thompson, president of the La Mesa Writer's Club, will be presented at the Puppet Theater Friday, November 16. The play will be directed by Betty Seymour, who recently wrote and directed the centennial pageant at the Spring Valley Community Center.

The Foothills players will sponsor "The Coming of the Bells." It was entered in the annual amateur one act play contest of the San Diego County Little Theatre group.

Mrs. Thompson also has several magazine articles to her credit. Her most recent was in the San Diego and Point magazine.

Pins to Be Awarded To 4-H Members

The 4-H Club, Lemon Grove branch, will meet Saturday eve at Youth Center. Parents of 4-H members with their brothers and sisters will be present, as award of pins ceremonies will take place.

The pins are donated by the Bankers' Association and the Bank of America to mark the ribbons and other honors earned by the youngsters with their entries at county fair. Owing to limited seating capacity of the hall, the general public is not invited this time. We will have a full account of the doin's next week, 'cause me and Pearl have been asked to have front seats.—D. H.

'ADAM AND FALLEN MAN' SERMON TOPIC

The Lesson-Sermon "Adam and Fallen Man" in all Churches of Christ, Scientist, Sunday, is headed up by the Golden Text from Hosea (14:1), "O Israel, return unto the Lord thy God; for thou hast fallen by thine iniquity."

After the accounts of the creation of man in the early chapters of Genesis, there appears the challenge of the voice of God to Adam. The account reads, "And the Lord God called unto Adam, and said unto him, Where art thou? And he said, I heard thy voice in the garden, and I was afraid, . . . and I hid myself" (Genesis 3:9, 10).

FIRST AID CLASS PLANNED

An advanced first aid course will start at the Grossmont Adult School this Thursday at 7 p.m. in room 51 at Grossmont High School. Stanley Rose will be the instructor.

Highlanders Keep 'Musket,' Smash Rivals, 52-6

By BOB TURNBULL

"Beat Baby Helix" was the war chant vainly screamed by the Grossmont High School song and cheer leaders Friday night at Helix stadium as the cheering department made a desperate attempt to fire up Grossmont's warriors. The final score saw the Green 'n Gray warriors overhelmingly victorious, 52-6.

With that lopsided victory, obvious at halftime with Grossmont trailing Helix 33-0, the undefeated Highlanders moved a step nearer their first Metro league crown, in fact, their first football crown, period. Helix has only to win two of their next three games to sew up the golden laurels and earn their hard fought berth in the SCIF playoffs.

Scoring for Helix was Lemon Grove's old-styled triple-threat halfback, Gary Dunn, who tallied three conversions, scampered 32 yards for a six pointer and snagged a 28 yard aerial from qb Bob Schultz, a beefy general who improves with each game. Ron Palermo was the top scorer with three TD's on runs of 24, 8 and 85 yards. Spring Valley's crack line-smasher, Dan Spinazzola chalked one on a 48 yard sprint up the middle while Bill Ernest ran a punt back 76 yards, good for another tally. Third-string fullback Keith Hall plunged from three yards out to round out the "stomp." Bob Schultz converted once. Out of the top seven individual scoring leaders, Helix is placed with three with Gary Dunn, (second), 25; Dan Spinazzola (third), 24; Ron Palermo (fourth), 24 points.

Friday night Helix meets much-improved El Cajon. The Highlanders defeated the Braves in the first game, 24-6. This game will offer many thrills in our Homecoming. The victory lies in the line. I don't want to start idle gossip but El Cajon's beefy forward wall is guilty of many, shall we say, "personal fouls" and "unsportsmanlike conduct." I hope this game is hard but clean!—B. T.

Wrong Number Listed for Red Cross Workers

Community - service - minded women who may have called the number given in last week's REVIEW, to volunteer as Red Cross motor corps drivers, are due an apology from Mary Landesco, which is hereby tendered. The correct number to call is HO 9-2492. Mrs. Landesco says this matter of getting her numbers mixed must be due to trying to handle press releases for too many organizations at the same time. She hopes no one has been greatly inconvenienced by her error. Also, that this correction may serve as an extra reminder that the local Red Cross motor corps, of which Mrs. Frank Armstrong is chairman, badly needs volunteers.

Kiwaniannes Will Meet at Armstrong's Monday

Mrs. Frank Armstrong, vice-president, will be hostess to the Lemon Grove Kiwaniannes for their regular monthly meeting Monday, 8 p.m., in her 8230 Golden Avenue home. Mrs. Theodore Butts and Mrs. John Landesco will be co-hostesses. The group expects Mrs. Max Goodwin, president, to return from her visit to Tennessee in time to preside at the meeting.

The program arranged by Mrs. Armstrong, in her dual capacity as program chairman, will consist of Red Cross films shown by Mrs. Helen Gentner, training chairman of the San Diego Chapter, American Red Cross. An interesting and instructive evening is promised by Mrs. Armstrong, whose interest in the work of the Red Cross is well known, having been local motor corps chairman for several years.

Roger Tilton Loses His Appendix

Roger Tilton, 11 year old son of Mr. and Mrs. Paul Hensley, 2895 Orange Place, is home from a trip to Grossmont Hospital.

He had his appendix removed by two skilled Lemon Grove doctors. They were Drs. Herbert and Early.

Rogers is back on the beam with only a little hemstitching on his tummy to show for the event.

Larger Building Planned for Area Telephone Plant

The Lemon Grove telephone exchange in La Mesa will be enlarged, manager Bill Parker announced this week.

The building, located at 8270 Lemon Street, will be increased in size by 2600 square feet to service orders from the east county in repair and testing services, and engineering and construction work.

Work will start on the $200,000 addition this month and 33 persons will be needed to operate the service center. At present this work is processed from San Diego.

Rotary District Governor Makes Speech to Local Group

Alpheus Gillette, district governor of the Rotary Club, was speaker at the Lemon Grove Rotary Club Monday noon at Michael's.

Gillette, an insurance man, traced the history of the Rotary from the time of its inception to its present high level of acceptance in the circle of service clubs. As he unfolded the Rotary story he gave reference points in early American history.

Dr. Harry Sorteberg presided. Harry Griffen was program chairman.

Red Feather Pledges Will be Picked Up By Area Workers

Residents of Lemon Grove and Spring Valley who have been missed in the house-to-house campaign for the United Success Drive were urged yesterday to call Heartland campaign headquarters.

Ben Schei, geographic chairman for Lemon Grove, and Mrs. E. R. Stong, Spring Valley, said that many people were not home when Red Feather workers made their home calls. They are asked to call the Heartland office, 9653 Grossmont Blvd., at HOpkins 6-1177 — and someone will be sent out to pick up their pledge, the chairmen said.

Lemon Grove's contributions to make more miracles happen through Red Feather services currently stands at $1,453.00 for 45 per cent of quota. Spring Valley has given $644.00 for 56 per cent of its quota.

Troop 108 Court Honors Mother, Scouts

Boy Scout Troop 108 held Court of Honor October 22nd, at their regular meeting place in the basement of the Congregational Church.

Gary Finkleman received Second Class pin and his mother, Mrs. Finkleman, shared the honor with him. First class badges were given Michael Jones and Robert Nelson, who stood at attention while the citation by the Governor of the State was read. Both boys' mothers were present and honored with them.

Garry Baker, returning after a long absence, was given a membership card. Frank Setchell was given awards for swimming and first aid. Danny Deavers won the award for electricity and Michael Stevenson for poultry raising, as did Edward Godfrey for scholarship.

Announcement was made that Henry Hall had been selected Crew Leader, Joseph Stropple Assistant Crew Leader and Edward Godfrey Secretary of the Explorers.

Ronnie Tennison, Kenny Priest, Garry Finkleman and James Shidel received one year pins, Charles Curley one for two years, Henry Hall for four years. The record showed that Henry Hall, Ronnie Tennison and Charles Curley had earned an award for a year's perfect attendance, which was given them.

It was announced that the Ladies Auxiliary would hold its bi-monthly meeting November 7th. It will be the last meeting this year. Hugh Godfrey set November 17th as the final day of the metal drive and invited everyone with metal to be picked up to call him at JU 2-4834.

Plans Set For St. Philips Bazaar

The Women's Auxiliary of St. Philip's are making elaborate plans for their Bazaar which will be given November 17th at the Church. The women have pledged $1000.00 toward the cost of the new Sunday School rooms, and this is the major fund-raising event of the year.

Another work party is scheduled for the last Saturday in the Church property. Last Saturday month to paint and maintain the grounds o fthe Church were greatly improved by Messrs. Helsel, Paul Kelly, Fred Willis and Jr. Robert Staley and son, Robert and Lane Carroll, Perry Bryant, Diane Demaree and eGorge Durrell.

Methodist Youth To Sponsor "Operation Poll-Sit"

The Senior High young people of the Lemon Grove Methodist Church will make themselves available as baby-sitters for mothers who could not otherwise get to the polls on election day, Nov. 6, according to Reverend Don Cooke, minister.

"Operation Poll-Sit" is dubbed the name of this community service project.

The youth will begin working immediately after school and will provide this service to any in the community who need it between the hours of 3:00 p.m. and 7:00 p.m. These young people will be divided into couples, a boy and a girl, and each couple will have a car at its disposal. The girl will stay in the home caring for the children while the boy transports the parent to the polls to vote. This is part of the youth emphasis on Christain Citizenship in the Methodist Youth Fellowship.

This service is being provided free of charge to any parents in the community who need it. Please call either the church at HO 6-2065, or the Methodist parsonage, HO 9-7862, and leave your name, address and the approximate time you wish to be picked up and taken to the polls.

As an additional part of the Methodist Youth emphasis on "Christian Action In An Election Year," the youth have planned an informative program on "Election Issues, '56" for the parents and all interested adults this Sunday night, 7:30 p.m. at the church, 3205 Washington. At this time, a panel of youth will present briefly the content, the pros and cons, of the propositions to appear on the California ballot, plus some informative discussion on other election issues. The purpose of this program will be to inform both adults and youth of the important questions at stake, and to help all to make a Christian aproach to these issues. The public, as well as the parents of youth, are invited.

man Austin said.

Bert McLees, county counsel and legal adviser to the board, said Laughlin's remarks had thrown a different light on some things, and he would have to look up the points.

Chairman Austin suggested that, the board concurring, the case needed further discussion and another hearing would be necessary after a conference among board members.

Laughlin's claim for $1,263 may be paid, after all. If not, Ruell Liggett is a pretty good collector. Used to run a collection agency, and was very successful in collecting from delinquent debtors, in some cases. We'd enjoy seeing him work on the county finances.

Mrs. Kleckner, clerk for the board, was absent, but her place was ably filled by an assistant. Mrs. K. may be away for two weeks, after several months of steady grind.

Welfare Matters

Eight items, usual grist of matters from DPW for authorization to proceed against various responsible relatives of recipients of OAS.

Do you realize that almost $20,000,000 yearly is contributed by S. D. County taxpayers for welfare? Read the white "Memorandum to Taxpayers" enclosed with your tax bill, which you will get in a week or so. Look at the inside pages, then "THIMK." (Isn't it about time something was done to curb spending by authorities?—D. H.)

Special Districts?

Director of public works submits and recommends execution of the following: Agreement between Spring Valley Sanitation District and John and Rose A. Cannizzaro for the providing, for $500, of sewer services by Lemon Grove Sanitation District to the Cannizzaro property; agreement between the two sanitation districts upon the payment of $20 to L. G. S. D. by S. V. S. D. (The $480 will be forthcoming when the sewer proceedings are initiated.)

Road Matters

Re acquisition of rights of way: Road Survey No. 609 Sweetwater Road, Spring Valley. Four grant deeds executed by Harry H. and Alta M. Applegate; Wm. and Bessie H. Buby; Alvin H. and Eva J. Osborn; and Joseph T. and Ollie E. Kennedy.

Payment of $715 to the Applegates. Payment of $255 to the Buby firm. Payment of $20 to the Osborns. Payment of $10 to Joe and Mrs. Kennedy.

Five Teams Ready For 'League' Play

Sponsors are now secured for five major league teams, reports William Allen, president of the Lemon Grove Little League Organization.

At a recent meeting of the board of directors, team names and coaches were drawn for each sponsor. The "Yankees," coached by Robert Kreger, will be sponsored by the Lemon Grove Junior Chamber of Commerce.

The "Indians," coached by M. R. Calderone, will be sponsored by the Lemon Grove Kiwanis Club. The "Dodgers," coached by William Allen, will be sponsored by the Lemon Grove Sporting Goods Store.

The "Braves," coached by Al Burke, will be sponsored by Quality Dairy Products Association; and the "Cubs," coached by George Semple, will be sponsored by the Lemon Grove Lions Club.

Anyone interested in joining the Lemon Grove Little League program is invited to attend the general meetings, which are held the first Monday of each month. The next general meeting is scheduled for Monday, November 5th, at the San Miguel School Auditorium at 7:30 p.m.

Shearer Reception At Lemon Grove Monday

William K. (Bill) Shearer, Republican candidate for Assemblyman in the 77th District, was honored by a reception held in his behalf Monday, October 29th, at the Lemon Grove Republican Headquarters, at 2 o'clock in the afternoon.

Budget Time at Baptist Church Again

The monthly fellowship meeting of the First Baptist Church of Lemon Grove will be held in the Church's dining hall Wednesday evening. The annual budget will be adopted at that time. The planning committee reports that they will recommend a challenging budget, exceeding last year's at approximately twenty per-cent.

Woman's Club Vogues To Draw for Turkey

The November business meeting of the Vogue Section of the Lemon Grove Woman's Club will be held Tuesday, at 8:00 p.m. at the home of Mrs. Thomas Duffner, Jr., 7049 Central Ave. The drawing for a turkey will be held at this meeting, the proceeds to be used for a Christmas welfare project. Hostesses for the evening will be Mrs. William Hubbard and Mrs. Thomas Duffner, Jr.

Chris Ferguson Back From Hospital

Chris Ferguson, a Lemon Grove resident for 30 years, but who now lives at 4176 38th Street, was released from a three week stay at Grossmont Hospital following a heart attack.

Ferguson, a retired building contractor, is active in the Lemon Grove Masonic Lodge and is a member of the Lemon Grove Congregational Church.

He was the contractor and builder for the building which formerly housed the First National Bank. He also built the Youth Center and the Congregational Church building.

Ferguson will be required to stay abed for six weeks and then may gradually start circulating again.

UNCENSORED!...
ATTORNEY GENERAL BROWN: "I shall vote against Proposition 4...the intent of this bill is to give the oil companies an advantage over the State ...It is unwise to by-pass the legislative process..."

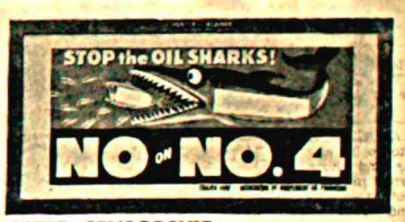
BEFORE CENSORSHIP...
This billboard contains uncensored copy CONDEMNING PROPOSITION NO. 4 AS A VICIOUS OIL MONOPOLY BILL.



AFTER CENSORSHIP...
This is one of a thousand billboards censored with strips of white paper to blot out the words "monopoly" and "you."

On October 10, Standard Oil Company—a principal backer of Proposition No. 4—wrote a letter to California outdoor advertising companies objecting to the word "monopoly" in poster copy submitted by opponents of Proposition No. 4. The next day six companies refused to permit the words "MONOPOLY" or "YOU" on the posters. Six other companies—small independents—refused to be pushed around by Standard Oil and posted the original copy. Today, throughout California, these butchered billboards stand as shameful witnesses to Standard Oil's might. They prove that—WHAT STANDARD WANTS, STANDARD GETS—UNTIL NOW!

Republicans, Democrats, Labor, Veterans, Businessmen, Legislators, Civic Leaders all say:

Your Community Leaders Say--

"...OIL FOR OUR CHILDREN"

"YES on 4" WILL INSURE IT!

Conservation–through Proposition 4–means more oil for today and more oil for tomorrow–oil for our children!

It is a shocking fact that under present wasteful production methods only 25% of the oil in a pool is being recovered!

Independent geologists say YES on 4 will double California's recoverable oil. Proposition 4 will make possible unit operation of oil pools – repressuring depleted pools by gas and water injection – thus recovering twice as much oil.

Oil for you, oil for your children, oil for future generations–depends upon your YES vote on Proposition 4.

Tumble Weed Crop Biggest in Years

Unless some householders chop down the tumble weeds growing in front of their menages the crop of this pest will be the biggest ever next year.

The weeds, green and thorny, have grown along the highways and by-ways luxuriantly this past year, seemingly without opposition. After they dry up and tumble away, scattering millions of seeds, we will have a chance to sing about the "Tumbling Tumble Weed," but we won't be happy about it.

A few minutes' work with a sharp shovel may save a lot of grief for all next year. Besides, we don't want to have to cut down any contributions next year, either. Along Broadway the weed is prevalent.

Broadway is a state highway, we were told by Joe Mack, and his men have nothing to do with the appearance of Broadway. The state men had a small crew and a truck working on Imperial Avenue one day last week, but after they cleaned up in front of one yard they had to dump the truck, and failed to return.

Joe said the state plans to re-surface Broadway for the entire length very soon, before returning that thoroughfare to the county. Dave Bird, our supervisor, sitting next to Joe, was pleasantly surprised at the news, said that would save the county a considerable amount.—D. H.

Arrangements at the County YMCA office for tickets and bus transportation will be open until late October 31. They will return by 9:30 p.m.

According to Y secretary Bill Poirier the Y members will first attend the Art Linkletter program of Hollywood stars including Jerry Lewis, Dick Whitinghall and others before a lunch and attendance at the Stanford-UCLA football game at the Coliseum.

Dr. Webster Starts Practice With Dr. Contasti

Dr. Thomas C. Webster, a former roommate of Dr. Joseph Contasti when they were in college back in the University of Wisconsin, has opened his office with his former roommate, at Campo and Citradora.

Dr. Webster served as an electronics mate during the war, then went on to complete his medical studies. He served his internship at the Providence Hospital in Seattle, Washington.

He and his wife Karna, who are living on Lemon Avenue in La Mesa, are the proud parents of two children, a boy 21 months old and a girl two months old.

Hours set by the two doctors are Monday through Friday 9 a.m. to 12 noon, and 2 p.m. to 5 p.m.; 9 a.m. to 12 noon on Saturdays. They will alternate their night and Sunday calls. The telephone number, day or night, is HO 6-6252.

Kiwanis Picnic Chilly But Enjoyable

More than 75 persons braved the cold winds and lowering clouds Sunday to attend the Kiwanis picnic at Live Oak picnic grounds at Alpine.

Gallons of cold soft drinks went begging but the run on hot food and drinks was terrific.

Games and contests went off as scheduled and prizes were given to balloon blowing winners, football throwers and in other events. A few of the more hardy guests even went swimming. Picnickers drifted home before the rain squall broke Sunday afternoon.

It was fun but it was chilly.

Throwin' The Bull

By BOB TURNBULL

It's a Joke, Son! . . . The boisterous alumnus, at a pre-game pep assembly, was disparging the skill of 1956 football players.

"When I was at Helix," he boasted, "I helped the Highlanders beat St. Augustine for three years straight."

"Is that so, sir?" queried tackle Roy Bottini politely. "And which team were you on?"

—BT—

Highlandville Gossip . . . Congrats to Joni Chaplin and Gail Stuckey who recently tied the bonds of holy matrimony. Joan is a Highland lassie in the senior clan (Coach Chaplin's pretty offspring) while Gail "got out" in '54. Best of luck to a prosperous future! . . . Highlandville's annual, the Tartan, is headed by senior Shirley Nicks with biz manager Julie Coats lending valuable assistance. . . . Congrats to the long-winded X-country road-pounders of Helix who won first place in the medium-large school division Cross Country race held yearly at Mt. San Antonio College. . . . Although not for certain next year's neighbors for Helix in the revamped Metro League will be the stand-bys Grossmont, El Cajon, Sweetwater and Chula Vista with newcomers St. Augustine and Mt. Miguel. The unpopular "round-robin football tournament will with a doubt be stopped. . . . Counselor Wilmer Brobst's son Don, is a member of the tennis team, a tartan bearer in his junior year, member of C.S.F., the chess club and was past veep of the science club. Busy lad!

—BT—

Diggin' the Alumni. . . . Former songleader and cheerleader Lorraine Sawyer and Bobbi Sable are pledge officers of Alpha Phi sorority at State College. . . . Jean Smith '54, is engaged to Darrell Heninger of San Diego. The "big day" is set for January 27. . . . June Edwards, '53, was in charge of half-time doings at State's homecoming. . . . Virginia Coker, '54, is married to Bob Hays of Oklahoma. Hubby is an anchor-clanker in Uncle Sam's floating armada.

—BT—

Homecoming! . . . Helix High School will celebrate its fifth annual homecoming this Friday, November 2, starting with first period. Open house will be in effect all day with a reception committee welcoming the ex-Highlanders in the lobby of the main building where they will sign in.

The celebration will include as stated, open house, a homecoming assembly during fifth period (12:45 to 1:45 p.m.), a football game and an after-game dance. Alumni and friends are invited to participate in the celebration.

The assembly will feature Dennis Hopper, Alan Oldfield and his band, past song and cheer leaders, various skits, Carol Prosser (accordion) and the presentation of homecoming queen candidates. Helix will meet El Cajon for the second time this year in a pigskin brawl at 8 p.m. on the Highlander field in their first home game. The fightin' green wave disspelled the Braves last time in a hard fought game, 24-6. A dance will follow the game in the Green Room (Cafe).

—BT—

What's Happening? . . . Friday, November 2—Helix homecoming assembly, game and dance. Helix vs El Cajon at Helix, 8 p.m. . . . USD vs New Mexico Military Institute, Balboa Stadium, 8 p.m. . . . Saturday, November 3—S. D. State vs Arizona State at Tempe, Ariz., 8 p.m. . . . SDJC vs L. A Valley JC, there, 8 p.m. . . . Tuesday, November 6 — Helix PTA parents' education program for sophomore parents.

Dennis McLaughlin, D.D.S., Comes To Grove

A new dentist has come to town. He is Dennis McLaughlin, who has opened offices at 7614 Pacific Avenue in the second of the two office building now occupied by Virginia Malcolm, M. D.

Son of Irish immigrants, his former home is Washington, D.C. He attended medical school at Georgetown University. He recently completed a tour of duty with the Marine Corps at Camp Pendleton and later shared a practice in National City.

PRAYS FOR RAIN

STUDENTS AT HELIX TO TRY PARTISAN ELECTION

Two Lemon Grove youths are taking part in Helix High School political rallies this week. They are Eleanor Chassy, 3288 Main Street and Loring Fillebrown, 7070 Broadway.

"We must not gamble on National security. Oil is critically important to defense and we can't afford to waste it.

"PROPOSITION 4 is a true Conservation measure which will enhance the State's economy and contribute to the National security."

General Holland M. Smith, USMC (Ret.)

"America must maintain the greatest possible production of oil to make an aggressor Nation think twice before attacking.

"PROPOSITION 4 will lessen our dependence on Middle East oil."

OUR MILITARY LEADERS, such as those shown above, are men highly regarded for their integrity. Just a few short years ago, when a world war threatened our safety on two coastlines, men such as these made the decisions that were vital to our National security. That they and hundreds of other leaders of real integrity now endorse PROPOSITION 4 *as a beneficial oil conservation measure* is assurance to the voters of the measure's merit.

candidates. We also prefer Kuchel for U. S. Senate; James B. Utt for U. S. Representative; and William Shearer for Assembly. The Supreme Court judge has no competitor.

On County Propositions A and B you should vote Yes. "A" extends civil service probationary periods from six months to a year and "B" permits fixing and adjusting compensation of Classified Civil Service personnel employed by the county.

It is a good thing to remember that the country isn't going to pot if your candidate does not win but your issues and your choice for office will come nearer to victory if you get to the polls . . . and take your neighbor, too.

Man's House is Ransacked—Cancels Subscription

Joseph E. Wetzel, an employee of the San Diego Postal Service, 8282 Jefferson Street, reported that his home had been ransacked during his vacation in September. He said that jewelry, silverware, government bonds and $91 in cash were missing.

Part of the silverware and Wetzel's stamp collection which he valued at $1,400, were later found in the vicinity.

He said that no insurance was carried and a suspect is being checked currently.

Wetzel cancelled his subscription to this newspaper because, he said, no story concerning the ransacking had been carried until now.

Mother Goose Parade Princess To Be Chosen Saturday

Of the various highlights of the Mother Goose season in El Cajon, the one most prominent right now is the windup of the Cinderella Princess Contest.

The contest between the 28 candidates in the race for the crown of the ruler of the Tenth Annual El Cajon Mother Goose Parade will close Saturday, with the coronation of the Princess who will preside over the children's pageant to be staged November 18.

In addition to reigning at the West Coast's second largest parade, the princess will receive a weekend in Hollywood, with visits to studios and interviews with top stars, plus many fine gifts from local merchants.
